

Renting Offices-Casablanca - Morocco

For a period or a précised mission, Le Centre de Domiciliation de l'’Entreprise offers a complete structure with a prestigious address. An equipped office, a receptionist, a phone number and an exclusive ADSL connection.

Our modern and practical business centers have equipment at the cutting edge of technology. Located between residential and business districts, they allow customers to establish their business in the commercial district of Casablanca.

We provide you with practical office furniture, elegant and comfortable whatever the duration of residence is (1 hour, ½ day, 1 day a week, 1 month or more) as well as technical interfaces and an officer of the Center and his team of professionals who are listening to you and in your service during opening hours.

Whatever your needs and your time are, our teams can always offer solutions with a successful and immediate implementation.

Upon request, Le Centre de Domiciliation de l'’Entreprise offers a workspace configuration tailored to your business. You are assigned a telephone number, competent and reactive assistants who are ready to record your instructions and take care of your needs.

Our offer includes:

- • The address of your company, headquarters, mailing address.
