

why to be Domiciled in Casablanca - Morocco

To avoid:

redoing all the paperwork of transfer of your head office in case of change of domicile (Registry fees and of legal announcement).

*To change your headquarters address on all papers of the firm (letterhead, business card, stamp ...): Fresh expensive printer!

*to inform your customers and your suppliers of your change of address, phone, fax ...

*to avoid confusion of Heritage But also...

*to preserve the serenity of your personal life.

*to enhance your brand image (receiving a client in living room, it may not be comfortable but not professional).

*to avoid being dependent on the clerk, the messenger and to wait indefinitely your letters, Chronopost, parcels, packages ...

*to benefit from a prestigious address.

*to warmly welcome your customers or your suppliers in premises resolutely contemporary, fully equipped of data-processing.

*to benefit from a constant presence of 8h to 19h without interruption.

*to meet regularly within the domiciled space and allow you to practice free trade.
